

HOLIDAY GREETINGS FROM OUR HOME TO YOURS

Another year has come and gone.
We hope that yours was a healthy and happy one.

We survived yet another 181 days with high school teenagers. Our movie total was way down to 42 this year. Janette is now horseback riding three times a week, and she decided to buy her own horse in July. *Flare* is a wonderful 5 year old mare (not stabled at our house!) who helps Janette to continue to bring home more ribbons from academy shows. Reinhard is still computing and playing table tennis every chance he gets. He has also taken the dogs on about 1,000 walks this year. 1994 was the second full year in our home. However, we didn't have much time at home this summer. Janette and her mom went to Spain and Reinhard took exchange students to Germany for three weeks. Then we were off again since Reinhard had won a free trip (flight, hotels, train travel) for two. We spent a fun two weeks in northern and eastern Germany. 74 people joined us in August for our eighth annual lot party in front of our house. Landscaping proceeded on its own. Reinhard did build 4/5 of a deck, installed a street lamp in front and made wood chip paths in the back. Just before the first snow fell, we got a wooden fence behind the house for dog roaming. The inside of the house is coming along. Decorating will begin any year now... Raudi and Tobi are now full-fledged owners of the house. They have succeeded in training us well - 5 a.m. breakfast, etc. Our last travel was a long weekend in the Olympic city of Atlanta for our annual language convention.

These and many other activities made it an exciting 1994 for us.
We wish you all the best in 1995!
