

Greetings from our house to yours with news from 2006

2006 started with a visit to New York to see Jeff, Yunxia and Hong as well as Buck. In March we flew to Las Vegas for our Spring Break. Gisela Fischer visited in April and we hosted the German Exchange for the 27th time.

Janette started another season of horse shows with Farryl and Bary in May. In June we took Jerod to Germany for the Soccer World Cup and went to Austria with Herbert and Gerlinde. We enjoyed the 20th annual Lot Party (100 people) and our pool before Janette started another school year (Reinhard is now fully retired).

The fall was again filled with the usual school activities and the 59th Fort Reunion. Reinhard was able to visit Jane Metcalfe in Minnesota and Wilfried in Germany. We also were

able to cuddle our furry friends Raudi & Tobi (13 years old) and saw 68 movies. Janette is still doing yoga as often as fits into her busy schedule. Reinhard plays his monthly poker (13th year),

Frisbee Golf (139 games) and has finished building the Bierhaus with his friends Larry and Dave. Janette is still busy as Treasurer of AATSP and Foreign Language Department Chair and Reinhard works on various websites and attends retiree functions.
