

Greetings from our house to yours with news from 2020

2020 was an unusual year filled with little travel, some fun, and many memories. We were able to visit some with friends and family at our house and theirs, but mostly follow our friends' and family's activities throughout the world via the computer.

Our travel year started with us flying to New York to meet up with Jeff, Yunxia and Hong, as well as Michael and Buck. Little did we know at the time, that that was to be our only trip.

At home we spent more than our usual time on yard projects. We really enjoyed our pool. It was our second year with our dog Nico. He got quite spoiled as we spent a lot of time with him.

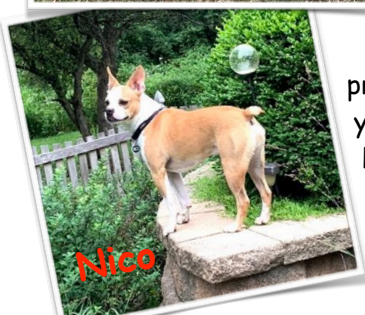

We attended Jerod & Valerie's wedding on Facebook Live and Chelsea & Diego's wedding on Zoom.

Our annual Lot Party also had to be on Zoom.

Janette still rides at Rancho del Rio in Wisconsin and continues her volunteer work with "Mane in Heaven", a miniature horse therapy organization. Reinhard has his monthly Frisbee & Poker (now on Zoom) get-togethers and is still active with the retired teachers (IRTA).

While some of our most enjoyable "activities" were fattening (TV and eating), we still had a good time. We enjoy our "retired" life and are grateful for our health, family and friends. But we're also sad that we lost some friends this year.

**We wish all of you good
health and happiness
and a better 2021!**
